## About Williamson Medical Center

Williamson Medical Center offers comprehensive inpatient and outpatient services, 24-hour emergency care, preventive health screenings and wellness activities.

Services offered by Williamson Medical Center are developed to provide the most cost-effective, convenient and accessible health care possible. More than 750 providers represent over 70 medical specialties and sub-specialties. The caliber of physicians and care at Williamson Medical Center continues to advance the way healthcare is delivered to our region with compassion and convenience unique to WMC.

Our campus also houses Monroe Carell Jr. Children's Hospital Vanderbilt at Williamson Medical Center, which provides pediatric emergent and inpatient care, and the Bone and Joint Institute of Tennessee – the region's premiere destination for orthopaedic excellence.

In addition, WMC's Williamson Medical Group includes over 30 providers offering everything from primary care to surgery to pulmonary and sleep medicine, all in one family of care.
